

# The Confetti Egg Booth

Needs The Parish's Help!

**What we need:** Whole eggshells – we need **several hundred** dozen

**Purpose:** To fill with confetti for a booth at **St. Norbertfest**

## How:

- Carefully crack a hole in one end the egg, large enough to shake out the whites and yoke
- Rinse out the shells and allow to air dry
- Save them in the carton
- Bring the carton to the Ministry Center
- We will boil the shells to sterilize them before use\*

*\* If you decide to boil the eggshells at home, please boil them for 10 minutes and allow them to air dry before placing them into the cartons.*

**When:** Start collecting now!
