Welcome Brunch for Parents

Dear Parents,

Congratulations to all of our 8th grade students and their families who graduated last Friday after a long week of activities which included Awards Ceremony and Brunch on Monday, Graduation Dance on Wednesday, and Disneyland on Thursday. What a great week it was for all of us. You are a great class of young men and women that we are proud to send forth to the next level of your education.

For the rest of us we have one week left, albeit a busy one. Today and tomorrow will be as normal of days as they can be for this time of year. Wednesday will be Field Day/Nacho Lunch which is hosted by the 7th graders. Please find enclosed a flier outlining the day's activities including schedule of events, dress code, and a reminder that students will get wet so send a towel and sunscreen. Thursday is Clean-Up Day. I would encourage all students to bring a paper bag this day to carry home all of their possessions. Friday, we will have a morning retreat followed by a 10:00 a.m. dismissal. And with that, our 2006-2007 school year will draw to a close.

A special thanks goes out to all of you for your participation in The Village at Orange Mall's *Tools 4 Schools* program. Through your efforts, you turned in enough receipts to place us 6th out of 20 schools and earn the school a \$500.00 prize. In the past we have purchase a digital camera, printer, and playground balls with these monies. We are signed up again next year, so save your receipts.

It is always a pleasure to hear that our alumni are doing well in school, in sport and the community. Dwayne and Jessie Phillips are two such alumni. Dwayne was honored at the AUSD Athlete of the Year Award as Katella's male selection and for receiving a 4.1 GPA for the year. Later in the week he also received the Craig "Tiger" Anderson Baseball Award which recognizes a player that exemplifies the attributes of hard work, good sportsmanship, true team player and respect for the academics. As for Jessie Phillips, you never know what hidden talents God has bestowed upon you until on day the opportunity to use them comes along. Last fall, Jessie played football and earned the coaches award for the Fresh/Soph Football team. Encouraged to keep in shape by going out for track, Jessie took up pole vaulting and discovered a natural talent which earned him a first place finish in his division and a Varsity Letter in track. Congratulations to both of you!

Until next August, have a blessed summer.
