Dear Parents,

Last week was a short week but a tough one due to illness, students, faculty, staff, and parents have all been victims of the flu virus and colds. Let's all pray that God will bless us all with speedy recoveries.

March 11 is the end of our second trimester. I would like to remind you, that in grades 3-8, you do not need to wait until report cards come out to view your child's academic performance. Gradelink is available to you on a 24 hour/7day a week basis. If you need your login information or if by chance you were locked out of your account please let the school office know.

Just a reminder that next Friday, February 29, there will not be school due to the teachers attending the Religious Education Congress in Anaheim. The congress is an opportunity for the faculty to gather with other teachers of religious education to attend workshops and increase their knowledge and skills.

As you are aware, the construction fence has been removed. This does not mean that the building is completed but it is getting much closer. There is still work to be done and in order to assure the safety of everyone, we will continue to keep our drop off, pick up, recess, and PE areas the same. Once I get the all clear, we will reassess our need and adjust accordingly.

I hope all of you have a great week. Stay healthy.
