Dear Parents,

Welcome back from what I hope was a very safe, enjoyable and relaxing Easter Break. The weather certainly cooperated giving us a beautiful week in which to partake in God's gifts to us. Speaking of God's gifts, I wish to commend the eighth grade class on the outstanding job they did in presenting the Living Stations. It was a very beautiful and meaningful way to begin the Triduum and Easter season.

I hope that you all received your children's report cards. They went home on Thursday, March 20 in the Friday Folders. If you set it aside over the break you may wish to locate it and look it over. As always, if you have question, please contact your child's teacher. Also attached to the report card was a letter outlining the tuition increase for next year and the reason why the increase is necessary. I hope you took the opportunity to read it over. Don't forget that tomorrow evening at 7:00 PM there will be a General Parent Meeting (in the Ministry Center) to discuss the state of the school as well as begin the registration process for next year. Please come prepared with a pen and a check ready to pay your registration fees. Registration is \$200 per child with a cap of \$500 for those families with 3 or more children. Registration materials will be distributed and the end of the meeting. As I mention in the last newsletter, attendance is mandatory for those returning next year. There is consideration of assessing a \$100 fine for those who do not attend. To avoid this consideration becoming a reality, please have at least one member of your family be in attendance.

The next few weeks will go by very quickly. Before you know it the end of the school year will here. The eighth grade leave next Sunday for Washington DC, followed by sixth grade Outdoor School, First Communion, May Crowning, Talent Show and Special Persons Day. As you can tell we have a busy spring ahead. I hope that you will all have the opportunity to join us.

God bless you all.
