Ronald McDonald House

We received a thank you card from the Ronald McDonald House, thanking St. Norbert Parish School for our generous donation of pull tabs. "Your participation is a simple gift, yet extremely important. Collecting tabs benefits many families we serve and is greatly appreciated. We are proud to report the pull tabs program has raised over \$54,000 since 1996. On behalf of all the families who will benefit from your generosity, thanks again for helping us provide a home away from home to families of children with serious illnesses." Once again, the generosity of the SNPS community has shines bright!
